Attract New Investors

InvestorVerseVR is powered by Utopia VR. InvestorVerseVR is a custom-tailored, online solution that's specific to the needs of the Corporate client; **increase communication, drive more sales and “take your investor awareness program to the next generation of investors.”**

Our 3D financial portal brings investors and Companies together and connects them to your Company!

Utopia VR is the world's first web-based, mobile-friendly, audio and video conferencing platform that utilizes innovative, 3D, web technology, that works on all devices; PC, mobile and in Virtual Reality. **Easily link your website to your own 3D Metaverse!**

InvestorVerseVR is powered by Utopia VR's virtual technology.

Get your Company's brand plugged in to the Metaverse in two easy steps!

- 1) Select your own virtual environment from our large inventory and we do the rest!
- 2) Embed your customized virtual worlds to your existing website to take your online marketing strategy to the next level!

InvestorVerseVR is a FULL SERVICE Metaverse business and marketing solution, tailored for the specific needs of the Corporate client. We do all the customization; We add your logo, video, pictures, 3D objects, pitch deck etc. to your virtual World. In addition, we feature your Company's virtual environment inside InverstorVerseVR.

InvestorVerseVR

Enjoy your next meeting or conference on a private plane, yacht or in a 3-D boardroom or simply use our technology to drive more investors and sales! Over 100 virtual design options to select from. The sky is the VIRTUAL limit!

About InvestorVerseVR

InvestorVerseVR is offering the world's first full-service MetaVeRse solution focused on the Corporate Clients needs.

Your Company will be featured in 3D, in the worlds first Metaverse directory, "Investor Verse VR". This digital directory provides investors financial opportunities and information. Your Company will also receive private virtual spaces you can use for meetings, events or to promote your products or services! **AND drive more shareholder leads.**

Your Company can host live events in 3D to attract new shareholders.

Dump Zoom and get your virtual room today!

If you're not already promoting your company's products or services in the Metaverse, YOU ARE behind the times!

InvestorVerseVR is powered by the leader in web-based Metaverse technology. InvestorVerseVR is a simple one-click, web-based, avatar-driven, mobile-friendly audio and videoconferencing platform that utilizes innovative 3D web technology. Utopia VR's virtual platform works on all relevant devices: PC, mobile and VR headsets such as the Oculus Quest or the HTC Vive. No software or hardware is needed. **This is a full service solution, our team will customize your own private virtual rooms with powerful branding images, videos, PowerPoint presentations or even 3D objects.** Our team can permanently pin the objects, therefore making your virtual environments live forever for 24/7 Metaverse exposure!

The Value Proposition

- ▶ Price - \$5,000.00 USD

You will receive TWO virtual world environments.

- ▶ **ONE exclusive virtual world** of your choice that you can use for dynamic, 3-dimensional investor pitches, corporate meetings, and to promote your product or service 24/7. Upload videos, pictures, a pitch deck etc. **We do all the custom work for you.**
Add 3D objects to your virtual room.
Examples: If you're a mining Company add 3D ore for your next Investor pitch, if you sell Clothing add clothing or shoes in 3D. Generate more sales and investor leads!
- ▶ **ONE virtual investor relations booth** that's connected to Investor Verse. **InvestorVerseVR.com** - The first 3D, financial portal for investors and public Companies to connect. **Link your current website to your IR portal to maximize your IR marketing strategy!**
Your Pitch Deck, videos, 3D objects or other material will be uploaded in your IR Portal for 24/7 virtual access.
**This includes 12-months of public directory listing.
Launching Sept 1st, 2022.
- ▶ **One professionally produced video (1 minute - edited)** of your virtual world, with logos and content that you can use to promote your Company product or services and drive traffic.
- ▶ **One virtual interview (1 minutes - edited) from Utopia VR** in our virtual TV studio. This interview will be published in InvestorVerseVR.com. A great way to let your customers know your products / services are in the Metaverse!
- ▶ 1 hour - orientation session on our platform with one or more members of your staff on how to maximize product and shareholder awareness.

- ▶ **Custom Company - Vanity URL**

One exclusive vanity URL. yourcompany.utopiavr.com will send your visitors directly to your world on Utopia VR.
